# Fashion Style

"You gotta have style. It helps you get down the stairs.  
It helps you get up in the morning. It's a way of life.  
Without it, you're nobody. I'm not talking about  
lots of clothes."

*Clothes*

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

"Fashion is about dressing according to  
what's fashionable. Style is more  
about being yourself."

Elegance

"Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."

## Beauty Trends

"The zenith of elegance in any woman's wardrobe is the little black dress, the power of which suggests dash and refinement."
