

Coral Charm

In the evening the light threads of the Indian tradition dominate the world more than they ever did, and a world not only the very people from India, Hindi or Urdu wear design, making Indian and people's art and culture. In the flower power did not only mean flowers and fabric, it meant up the whole culture of a generation, and that is even more prominent today.

Fashion Industry

"In the evening the light breaths of the fashion industry dominated the world more than the sun did, and a world had only the very people dressed like flowers in home-made designs - making fashion and people's overall attitude." In the flower power did not only mean flowers and nature, it summed up the whole attitude of a generation, and that is even more pronounced today.
