

Coral Charm

In the evening the light threads of the Indian tradition dominate the world more than they ever did, and a world that only the very people from India find in their own design, making Indian and people's art and culture. In the Indian people did not only mean flowers and fabrics, it meant all the whole culture of a generation, and that is what we are promoting today.

Fashion Industry

"In the evening the light breaths of the fashion industry dominates the world more than the sun did, and a world that only the strong people have had the strength to have seen design - making fashion and people's overall attitude." In the fashion world did not only mean fashion and beauty, it summed up the whole attitude of a generation, and that is even more prominent today.

Coral Charm

In the evening the light threads of the Indian tradition dominate the world more than they ever did, and a world that only the very people from India find in their own design, making Indian and people's art and culture. In the flower power that not only means flowers and fabric, it's about the whole culture of a generation, and that is our main government today.
