What's my style is not
your style and I don't
see how you can define
it. It's something that
expresses who you are
in your own way.

You can never take too much care over the choice of your shoes. Too many women think that they are unimportant, but the real proof of an elegant woman is what is on her feet.

Fashion is very important. It is life-enhancing and like everything that gives pleasure it is worth doing well.

EXPRESSION

Fashion you can buy
but style you possess.
The key to style is
Learning who you are,
which takes years.
There's no hour to road
map to style. It's
about self expression
and above all, attitude.

Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something reflected from our soul to the outside world.
