"The best things in life are free. The second best are very expensive."

"Don't be late friends, don't make  
looking over you, but one make what  
you are, what you want to know by  
the way you dress and the way you  
live"

969-002

969-006

"The best things in life are free. The second best are very expensive."
