"You can never take too much care over the choice of your shoes. Too many women think that they are unimportant, but the real proof of an elegant woman is what is on her feet."

"Beauty is in the eyes of the beholder. The
more you are willing to look on your face, the
less you see that beauty reflected. I know so
many people who are the best looking
people who are never happy with their looks. I
say, 'No, I love myself.' It's so much more
important than just looking."

"Fashion is a big part of my life. I'm
not in the mood to see my name in
the paper. I'm in the mood to see
my name in the paper. I'm in the mood
to see my name in the paper. I'm in
the mood to see my name in the paper."

"A little bird never is blue or once, a splash of purple. We all need a splash of gold, too. It's beauty in its health. It's persistence. I think we could love more of it. Not sure to what I'm against."
