**TISHA**

"What you wear is how you present yourself to the world, especially today.  
While business meetings are so quick, fashion is a silent language."

GOLDEN BEAUTY

"What you wear is how you present yourself to the world, especially today when human contacts are so quick. Fashion is instant language."

# TISHA

"Fashion is part of the daily air and it changes all the time, with all the  
seasons. You can even see the appearance of a revolution in clothes. You can  
see and feel everything in clothes."
