"What you wear is how you present yourself to the world, especially today, when humans realize how we speak, fashion is instant language."

"What you wear is how you present yourself to the world, especially today, when business clothes are so quick. Fashion is instant language."

617-003

CREATIVE EFFECT

617-005

"Hail you who in time you present yourself to the world, especially when
when times come and we seek. Fashion is not just a language."
